THE CURFEW'S BELL

Will not Ring in Wheeling to-night but After Next Tuesday

IT MAY BE A DIFFERENT STORY

AS THE HUMANE SOCIETY'S ORDINANCE WILL BE UP FOR ACTION BEFORE COUNCIL AT THAT TIME—THE ORDINANCE DISCUSSED AT LAST NIGHT'S MEETING OF THE COUNCIL COMMITTEE ON ORDINANCES. OTHER MATTERS CONSIDERED.

The curfew's bell may not ring in Wheeling to-night, nor on Saturday night, but after next Tuesday there may be a different story to tell. At a meeting of the council committee on ordinances held last evening, and attended by leaders in the Humane Society, the ordinance was discussed and passed on to council for action next Tuesday evening.

The meeting was attended by Mrs. John K. List, president of the West Virginia Humane Society; Dr. Harriet B. Jones, Captain C. J. Rawling and others interested in the curfew movement. Of the committee, Chairman Baird and Councilmen Hazlett, List, Williams and Watson were present, also Mayor Butts and City Solicitor Nesbitt.

The curfew matter was first taken up, and it developed that the petition filed with the city clerk some time ago when the ordinance was first suggested, had in some manner been mislaid. However, Dr. Jones, had a copy of the ordinance, which she presented. It was read by Clerk O'Brien. It provides in effect as follows:

First—That all children under the age of sixteen years shall be prohibited from loitering on the streets and alleys of the city after 10 p. m. from March 1 to September 30, and after 9 p. m. from October 1 to the last day of February, unless accompanied by parent or guardian. The penalty provided was a fine of \$10, and this was later amended to \$1.

Second—It shall be unlawful for any parent or guardian to allow his child or ward to loiter after the hours mentioned, and the penalty for violation is a fine of \$3, which was fixed in preference to the original figure, \$25.

Third—No child shall be placed in confinement for violation of the ordinance until the parent or guardian declines to be responsible.

Fourth—Provides for a child being allowed out after the prescribed hours when there exists a "reasonable necessity."

When the ordinance had been read, Dr. Jones addressed the committee in its support. She wanted council to take hold with earnestness, and do something. If council places itself on record against this measure she warned the committee that the fight would continue. If there were any objections to the measure she wanted to hear them then and there.

There was some discussion regarding the section calling for imprisonment in cases where the fine cannot be paid. Mr. Watson believing that such a provision would work a hardship upon poor people. Dr. Jones responded that where the fine cannot be collected there must be punishment of some character, and imprisonment seems the only method.

Relative to the phrase, "reasonable excuse," there was some discussion, and Dr. Jones defined it to mean cases where children are going from one place to another after the prescribed hours—in fact are not loitering. In these cases, of course, the police officers must use their discretion.

Captain C. J. Rawling made lengthy remarks, strongly supporting the proposed curfew ordinance, and introducing testimony showing its accomplishment in Omaha, St. Joseph, Kansas City and other communities. In Omaha the chief of police strongly commended the curfew.

Mr. Williams—How is the chief of police chosen in Omaha?

Captain Rawlings expressed his inability to answer the question, but hazarded the belief that he is not chosen in the manner Wheeling chooses.

The ordinance was referred to council, and the humane society was requested to have copies printed for the inspection of councilmen next Tuesday evening.

OTHER ORDINANCES.

Another ordinance was that providing for the use of the Allied Printing Trades Council label on all printing done for the city. A resolution on this line introduced in council by Mr. Connelly was read. After a lengthy discussion, on motion of Mr. Hazlett, the city solicitor was instructed to prepare an ordinance for presentation to council on Tuesday evening. Members of the typographical union were present, and advocated the use of the label.

The committee recommended favorably an ordinance granting to Mrs. James Swann permission to place steps on the street at her property, located at the corner of North Huron and Kentucky streets, Island.

An ordinance prohibiting females from loitering around and in saloons was introduced and recommended favorably to council. It provides as penalty a fine of \$1 to \$20 or thirty days' imprisonment, and a fine of \$1 to \$20 and thirty days' imprisonment for saloonists violating the provisions of the ordinance. Speaking of the ordinance, Mayor Butts said this was the only way he could think of to stop an evil that the police have long been unable to restrain.

An ordinance increasing the license tax on peddlers of nostrums, medicines and soaps was acted upon favorably. It provides a license of \$25 a week or \$35 a week where music is a side attraction. The penalties are fines from \$5 to \$20, or imprisonment not to exceed thirty days.

TAKEN TO WEST LIBERTY.

Yesterday morning Ed. Lewis, colored, one of the two young men charged with stealing the horse from J. B. Forney, of near West Liberty, was brought over to this city from Martin's Ferry and was committed to jail. A constable came in from the country after the offender yesterday about noon.
